

# Salt River District Petroglyphs April 2008

## District Happenings

*Flyers and further details may also be available on the District Web Site*

## Ahh. . . Graduation

The Venture, Varsity and Boy Scouts are all preparing for Summer Camp. The Webelos II's have long since bridged into scouting. The Pack Den's are all graduating to the next level in Cub scouting and many are preparing to attend various Day Camps and Resident Camps.

Programs begin winding down for the summer. Summer programs are much lighter as many scouts are away on vacation, but all units know that it is important to keep the program alive with some fun activities during the summer even with only a few scouts in attendance. These are critical to not only keeping scouts in the program, but in recruiting new scouts as well. Packs should be earning their Summertime Pack and Den awards. It's so easy so there is no excuse not to keep the program going. Scouting is a year round program, not just a nine month program.

### ***Just as important . . .***

Committees and Leaders should now be gearing up for the coming scouting year. There is so much that needs to be prepared for so you can all hit the ground running in August when school starts and the your scouts are all back from vacation. All units should be getting their annual planning done before August so the new Unit Calendar can be given out to parents at the first meeting after school starts. If you don't get on their calendars early then you will be frustrated and struggle with the all your activities. Once their Calendars are committed it is a lot easier to get help from your parents! Make sure that all your untrained leaders commit to the training dates that are already published on the District Web Site. The summer time is the time to rebuild the Unit foundation and make sure that you have resources in place to execute the plans you have and to ensure their success.

Scout-O-Rama ticket sales begin the first of September. Store Location requests are due mid June. If you want to make the most of this fundraising opportunity, then plan ahead. Scout-O-Rama is back in Tempe so ticket sales should be even better in our district and it is a great opportunity for recruiting so put in early for a booth as well.

The time is now to set Annual Planning dates. Don't wait until June as you will find it hard to get firm commitments from everyone on the date. Plan a social event like pot luck to make it enjoyable. It's a great time to get re-acquainted and recruit new leaders to spread the work load.

***Don't miss this opportunity to ensure your success,  
make your life a lot easier,  
and be prepared for the great Scouting year ahead***

## **District Committee Openings**

There are several opening on the committee and now is a good time to join. The committee is holding District Committee Training on May 3. **Committee Members at Large** are always needed to help out at various District events and activities. We are also always in need of more **Trainers** (a trainer development conference "Train the Trainer" is coming up on April 12).

We have a specific need for a **Secretary**. This position keeps notes at the District meetings and produces meeting minutes for the committee to review and remind them of what was discussed.

We also need a **Petroglyphs Editor**. Yes, your are reading it now, but this is not the quality we really want. I took on the work because there was no letter and our box at council was conspicuously empty next to all the other District newsletters. It is little more than what's on the District Calendar as I don't have the time to do more and its always done at the last minute.

There are lots of you out there with experience, talent, and knowledge that really should be shared with others so that their units can be the best that they can be. Talk to any Committee Member if you have an interest in being part of the District and helping support all of its units.

## **Salt River District Committee Training Workshop**

May 10, 2008 (Saturday), 8:30 AM – 2:00 PM, \$10.00 (Includes lunch)  
LDS Chapel, 6001 S Lakeshore Dr, Tempe, AZ 85283

One of the keys to the success of the District's Scouting program is trained volunteer Leadership. Answering, "What is my job?" and "How do I do it?" are the focus of this training. All Scouters involved with Salt River District should attend as well as anyone interested in knowing what the Committee does and how it works. Sessions include: District Overview and Membership, Finance, Program, Training, and Unit Service breakouts.

**Contact:** Neal Nikolaisen (480) 961-0531 or e-mail [NEALNIK@AOL.COM](mailto:NEALNIK@AOL.COM)

## **FOS – Friends of Scouting**

*We are still below our Annual goal.*

*Our Goal is \$80,000 and we are only at \$36,405 (46%)*

**So assign an FOS Coordinator for the unit and get your program going!**

Remind your Scouting families to send in their pledge if they haven't done so. We are a little ahead of last year at this time, but just a little. Let's all work hard to make our goal for 2008.

## **We Need Commissioners**

A commissioner is someone willing to be an advisor to assigned units and help each unit to keep up with District and Council happenings as well as be a resource whenever the unit has a question. The more commissioners we have the faster and better we can service our units. This is truly one of those jobs that takes only an hour a week and is completely flexible to your schedule. If you want to know more that consider attending the Commissioner College being held on April 19<sup>th</sup> at the LDS Church on LDS Church at Val Vista and Ray Rd.

Contact Phil Grey, [test4u@cox.net](mailto:test4u@cox.net), 602-615-0511, with any questions you may have about being a Salt River District Commissioner.

## **June Advancement Day for Boy Scouts**

This is a great opportunity to focus on picking up one or two merit badges. A few can be completed at the Advancement Day event, but most require doing some homework and then the rest will be finished up with a District Merit Badge Counselor at the Event. This is a great opportunity to work with knowledgeable and experienced Counselors with expertise in these specific areas. Even you don't finish the badge that day you can finish up missing requirements after the event and earn the badge. See the District website for registration information and merit badge offerings.

## **Boy Scout Summer Camp**

The Summer Camp season is in full swing and filling up fast. Boy Scouts can enjoy a week at one of our 2 premier camps in the cool pines in Payson and Flagstaff. Camp Geronimo and Camp Raymond have excellent facilities and staff to make the most of your scout's experience at Camp. Troop not going on a week when you can go? No problem, the camps also have provisional units where scouts can still get their Merit Badges earned and fun with well staffed "temporary" troop leadership.

Boy Scouts also have a great day camp: the Council's Aquatics and Nature Day Camp at Lake Pleasant just 20 miles north of Phoenix. The scenic lake and majestic mountains provide a beautiful backdrop for all the exciting activities packed into this day camp. The camp is a Scouter's dream offering more than 20 aquatic and nature merit badges including canoeing, rowing, kayaking, motor boating, waterskiing, sailing, fishing, fly-fishing, cooking, reptile & amphibian study, insect study, archeology, geology, environmental science, communications and much more. Busses pick up the scouts from several locations around the Phoenix area and drop them back off each night for 5 days. Several Sessions are available through June and July.

## **Cubs have several opportunities this summer**

You have seen the full page add for the local day camp here in Phoenix. It's amazing what you can do when it's over 100 degrees outside. There is non-stop fun for three days and even the Parents easily survive the heat. Come join the Lost Safari at the Hear Scout Pueblo!

A Cub 4 day and 3 night resident experience is available at the R Bar C Council camp on Christopher Creek just east of Payson. Each day is filled with great activities including BB Gun and Archery, Nature Classes, Crafts and Games.

For Webelos there are several opportunities for an overnight weekend camping experience at both Geronimo and Camp Raymond. These special camping experiences focus on Webelos Activities and give the Webelos a taste of the Boy Scout Summer Camp experience.

## **Council Camps and Summer Camp Information**

Visit <http://www.grandcanyonbsa.org> and select Council Camps from the side menu. Pick a camp and see what they have available. There is information on all these camps as well as registration forms and flyers for each of these great summertime activities.

## **Council Happenings**

Visit the Grand Canyon Council Website at [www.grandcanyonbsa.org](http://www.grandcanyonbsa.org)

### **Electronic Advancement**

You can enter those advancements on line now. No more three part forms. For Troops this enters the advancements into the scout's record so Council will have an appropriate record. Troops should make every effort to take advantage of this time saving opportunity and update the actual records of their scouts. Get you access code from your District Executive and then go on-line today.

### **Popcorn Sales**

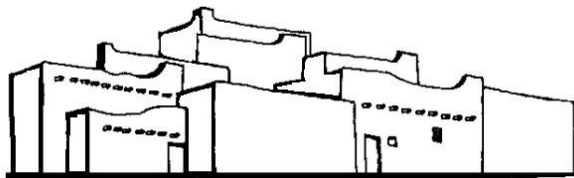

You thought it was over. Well, Council has a lot of popcorn left over and that means an excellent opportunity to make good profits, 40%, from Consignment sales. Contact "Fugi" (Richard Fugimoto) at Council for details.

### **Arizona Rattlers Scout Night and Training Camp**

Saturday, May 24<sup>th</sup> at 12:00 PM

Arizona Rattlers are offering a training camp at noon on the day of the game where we will have players and coaches on hand to teach you everything they know. And don't forget the game, the Rattlers take on the Grand Rapids Rampage in our quest to win our 3rd Arena Bowl championship and we are offering great ticket prices for all scouts. Check the Council Web Site for more information.

**Want Ads**

The District is in need of Volunteers to help keep it running smoothly, keeping units informed, trained, and ensuring more fun for all our scouts. We have some specific positions to be filled, but there are a lot of other places where we can use members at large. Come join us and share your heart and brain with the rest of us.
