## Friends of Scouting

### Why is it so important to contribute to the annual Friends of Scouting Campaign?

Each year parents of Scouts and community members in the Grand Canyon Council are asked to contribute to the annual Friends of Scouting campaign. This campaign is an essential component of the funding efforts for our council, raising over 21% of the council's annual income.

Scouting families play a vital role in the annual Friends of Scouting campaign because they see, on an ongoing basis, how important the Scouting program is in the lives of their Scouts.

Each year, the Grand Canyon Council touches the lives of tens of thousands of Scouts and their families. Serving that many youth requires a budget designed to support a lot of great Scouting. Participation in the Friends of Scouting campaign will guarantee that funding will be available to meet the annual budget needs to support programs, communications, council staff, camps, office facilities and much more.

Here is how our campaign works. Beginning in November and through March, Scouting volunteers come to a unit activity (typically a pack meeting or troop court of honor.) This volunteer invites the families present to consider making a tax-deductible pledge to the Grand Canyon Council that can be paid during the year.

Families and interested community members are encouraged to give based on their interest in the program and their ability to give. Help keep Scouting strong by participating as a Friend of Scouting.

Contributions can be made online with payment by credit card, electronic check or by mail.

Thank you for your generous support!

## SELECTION OF NOMINEES FOR ALL DISTRICT AWARDS

Annually, Salt River District recognizes outstanding service performed by adult volunteers in the District. These individuals are nominated by the unit they serve or by any other interested party.

Nomination forms are used to furnish names of candidates to the District Awards Committee. These forms are available from our District Director or District Executive, and are available at Roundtables preceding the submission deadline. The deadline for the 2010 awards has been set for **December 16, 2010**, to provide adequate time for evaluation prior to the awards banquet on **Saturday February 26, 2011**.

The Awards Committee evaluates each nomination based on four main areas:

1. Exceptional service to Scouting (Unit, District and/or Council)
2. Exceptional service to other youth organizations
3. Awards and recognition which the candidate has previously received
4. Service in the community (religious, civic groups, fraternal groups, business).

In evaluating the nominations, the committee places weight on the content of the nomination form, rather than the technical presentation; however, each form should be as complete as possible. Any person may nominate an adult Scouter. Additional endorsements by other persons enhance the nomination.

Keep in mind that service to Scouting can take many forms, such as work relating to unit committees, camporees, and district or council activities. While years of service are important, a shorter period of exceptional service may deserve more weight than more years of less exceptional service. Other considerations might be whether the service is of lasting or transitory nature, and the number of people affected by it. Does it appear that the candidate goes the "extra mile"? Also, consider whether the candidate serves Scouting through his or her family activities, community service, and similar activities.

Use of the guidelines on the next page will be helpful in determining the appropriate District Award for which a candidate should be nominated. These guidelines should be considered as general requirements for the award.

## **SALT RIVER DISTRICT AWARDS SUMMARY**

### **DISTRICT AWARD OF MERIT**

This is the highest BSA Award that the District can bestow upon a dedicated adult Scouter. The maximum number of awards is determined by the number of units sponsored in the District. For 2009, Salt River District may award up to three.

#### Requirements:

1. The nominee must be a registered adult Scouter and have rendered noteworthy service to youth. The nature of the "noteworthy service to youth" may consist of a single plan or decisions that contributed vitally to the lives of large numbers of youth, or it may have been given to a small group over an extended time. The nominee should also have contributed some type of service to youth outside Scouting as well.
2. Consideration should be given to the nominee's position and corresponding opportunity to render outstanding service beyond the expectation of duty. The nominee's attitude toward and cooperation with the District and Council is taken into consideration.

### **THEO LEBARON RECOGNITION AWARD**

This award is based on truly exceptional service and tenure on the District level. The award is given only when a suitable candidate is nominated. It is not required to be given each year. Nominees should have been previously awarded the District Award of Merit (if eligible).

### **DISTRICT HONOR AWARD**

This Salt River District award recognizes registered leaders functioning in staff positions (unit committees, commissioners, Den Leader Coach, etc.) in support of the BSA program.

#### Requirements:

1. The nominee must be a registered adult Scouter in Salt River District for more than one year.
2. The nominee must act as a working member in a Scout unit or in a District/Council position as the "driving force" to enable Salt River District to have an exceptionally outstanding program.

### **DISTRICT SERVICE AWARD**

This Salt River District award recognizes registered leaders working directly with the youth. This includes positions such as Cubmasters, Den Leaders, Scoutmasters, Team Leaders, Advisors, and Assistants to these positions, as well as any other position working directly with youth.

#### Requirements:

1. The nominee must be a registered adult Scouter in Salt River District for more than one year.
2. He/She must demonstrate outstanding performance involving the activities of one or more Scouting units. This may be as a leader in an individual unit, or it may involve service to multiple units or individuals in multiple units. This requirement demands the highest job performance in delivering an outstanding program for the youth.

### **DISTRICT SCOUT FAMILY OF THE YEAR**

This Salt River District award recognizes a Scouting family for their efforts on behalf of Scouting, both as individuals and as a family. Both adults and youth must be registered members of the BSA and have demonstrated outstanding contributions in the last year.

### **SPARKPLUG AWARD**

This award spotlights an individual who has been active for a year or less, and is a real spark of energy and enthusiasm within the scouting unit. This person is the stand-out, showing great promise in his or her future leadership. The Sparkplug Award recognizes and encourages their contributions. It is the first of what is hoped will be future awards for continued excellence.

# ORDER OF THE ARROW ELECTIONS

What an unbelievable opportunity you as leaders have ! You can have your Scouts elected into the most active Order of the Arrow chapter in the Grand Canyon Council. Can you imagine what this will mean to your Scout unit ? Please take a moment and consider this:

- 1) Walpi-Kiva chapter of the Salt River District has been a QUALITY CHAPTER in Wipala Wiki Lodge for 10 years in a row
- 2) This Chapter has produced the Lodge Chief of Grand Canyon Council in 6 of the last 10 years
- 3) One half or more of the Lodge Chiefs assistants come from this chapter
- 4) Roughly 45% of the Delegates that attended the National Order of the Arrow Convention in 2009 came from your chapter. The rest of the Delegates come from all over the Council.
- 5) Our Ceremonies Teams have taken "Honors" consistently at the National Convention. Honors is the term used for being the "Best of the Best". Your chapters ceremonies teams have competed on a National Stage and have taken Honors since 1992 !! This past Conference we had 2 Honors Ceremonies Teams and one Honorable Mention !! No wonder our ceremonies teams are asked to do events all over the state !!
- 6) For your information, there are 3 Councils in our Section. They are the Grand Canyon Council in Phoenix, Boulder Dam Area in Las Vegas and . The Section has a set of youth leaders: Chief, Vice Chief and Secretary/Treasurer. For the past 3 years in a row the Section Chief has come from this chapter. For the past 2 years in a row the Vice Chief has also come from this chapter !! This is great leadership your Scouts can join. For the term 2009-2010 the Section Chief Troy Wolver is from your chapter.
- 7) In 2006 and 2007 your Chapter produced the Western Region Chief !! He is one of the top 6 highest ranking youth Order of the Arrow members in the nation. This chief is responsible for Alaska, Hawaii, Washington, Oregon, California, Idaho, Montana, Wyoming, Utah, Colorado, New Mexico, Arizona and parts of Texas !! The 2006 Western Region Chief was Kieran Thompson and the 2007 Chief was Chad Wolver.
- 8) Not only did your chapter produce the Western Region Chief, Section Chief and the Lodge Chief, we did it 2 years in a row !!! This has never been done in Order of the Arrow history ! As you can see you have a great opportunity to have some of this leadership enter your troop. Contact us for an election and start your boys on a Scouting journey that not only he but you and your troop will benefit from. Imagine what your younger Scouts have to look forward to when one of his own troops members may be a National Officer !! Please contact us for an election for your group today. We will make all the arrangements and come to your meeting place fully prepared to do an election. Election schedule for 2011 is already to go and we already have some confirmed dates.

## Did you know...?

Hazardous Weather training is required for a tour permit on any outing—and one person must be Basic Adult Leader Outdoor Orientation (BALOO) trained if a Cub Scout pack is conducting an outdoor activity or pack overnigher. A BALOO-trained leader must be listed on the tour permit.

Hazardous Weather training must be renewed every two years.

## Important Youth Protection Training Information

To help ensure that volunteers receive credit for Youth Protection training, we recommend taking the training online through [myscouting.org](http://myscouting.org). Setting up a MyScouting user account is easy. If you are a registered leader renewing your training, be sure that your MyScouting profile has your BSA member ID recorded so you receive proper credit. If you are new to Scouting, print a copy of the completion certificate at the end of the training and attach it to your Adult Leader Application in order to complete the process. Be sure to record your MyScouting user name and password in a safe place; you will want to return to your account when you receive your membership ID (found on your membership card) and update your MyScouting profile with your ID number so you can receive proper credit for all future online training.

If you take Youth Protection training in a classroom setting, be sure to get a completion certificate and ensure your name is properly recorded on the official class/ training roster. It's a good idea to secure the name and e-mail of your trainer in case you lose your certificate.

On another note, a temporary allowance has been granted to permit Venturing direct-contact leaders to reregister if they have completed either general YPT (Y01) or Venturing YPT (Y02). It is anticipated this grace period will expire no later than June 1, 2011.

## Introduction to Outdoor Leader Skills

If tenured Scouters can demonstrate all the basic outdoor camping skills for Tenderfoot, Second Class, and First Class ranks, they may not need to take the full Introduction to Camping Skills training course. They should contact Bill Nelson to see if they can test out ([bnelson45@hotmail.com](mailto:bnelson45@hotmail.com))

## Training Validation

A new training validation feature has been added to the Training section of [www.myscouting.org](http://www.myscouting.org). This feature enables MyScouting users with a member ID to retrieve their individual training record history. This new [myscouting.org](http://www.myscouting.org) feature includes an option for Youth Protection training taken in the past two years as well as an All Training search.

**INTERNET ADVANCEMENT RESOLUTION**

Be it resolved that the Grand Canyon Council's Advancement Program is an important initiative to retain more youth in the character-building programs of the Boy Scouts of America.

Advancement is the process by which youth members of the Boy Scouts of America progress from rank to rank in the Scouting program. Advancement is simply a means to an end, not an end in itself. Everything done to advance and earn these ranks, from joining until leaving the program, should be designed to help the young person have an exciting and meaningful experience.

Education and fun are functions of the Scouting movement, and they must be the basis of the advancement program.

A fundamental principle of advancement in Cub Scouting, Boy Scouting, Varsity Scouting, and Venturing is the growth a young person achieves as a result of his/her participation in unit program.

Units can now submit advancement for unit youth members online. They can add ranks, merit badges and awards. They can also update information on existing advancements (except the Eagle Scout rank). This is done by:

1. Select the unit advancement processor. This person must have Internet connectivity and Microsoft Internet Explorer.
2. Obtain a unit ID code from the council.
3. Gather information for advancement, including merit badge applications and advancement records with dates.
4. Follow the instructions in Internet Advancement to process advancements and print an advancement report.
5. Have the appropriate people sign the printed unit advancement report and submit it to the council. Save a copy for your files.
6. Units should submit monthly before the end of each month, or more often if needed. In December, submit a report before the end of the month to update your unit and council statistics.

The unit advancement processor can see all currently registered youth and adult members of the unit, along with their membership ID number. If someone isn't shown, then they are not registered in this unit. The appropriate application may not have been approved and turned in to the council, or the processing of the new registration may still be underway. This process will help encourage unit leaders to submit youth and adult applications in a timely manner along with providing a secure place for units to store individual youth advancement data. The program is also compatible with the following software; PackMaster/TroopMaster, Rank N' File, Scoutmate, and ScoutSoft

Be it resolved that the Grand Canyon Council, Inc. will utilize the Internet Advancement Program Online with all units beginning January 1, 2011. Promotion and training will be made available for the remaining of 2010. If the unit leaders do not have internet access a volunteer terminal will be made available at the Service Center.

Approved by the Grand Canyon Council Executive Committee this date: May 19, 2010

Larry Abbott, Scout Executive/CEO

## **2011 Moving Water**

### **(Whitewater)**

#### **Training Courses**

All participants planning to take trips on moving water (whitewater) must complete special training offered by a BSA aquatics instructor or designated council instructor (Guide to Safe Scouting). This includes any excursion, expedition or trip using a canoe, raft, kayak, inflatable boat, or inner tube.

**No Tour Permit For An Afloat Activity On Moving Water Will Be Issued Unless All The Participants Have Been Trained.**

Trips on the Lower Colorado do not require moving water training. The Lower Colorado River has been classified at the same level of difficulty as flat water.

For Canoe Whitewater Training, Inner Tube Whitewater Training, and Kayak Whitewater Training: Contact Kurt Fisher at 480-214-5906 for more information.

Whitewater Rivers in Arizona include the Verde, Gila, and the Lower and Upper Salt. The lower Colorado River (Hoover Dam and below) is not considered whitewater.

Thank you to the Eagle Board for all that you do!!

Scouting's highest honor proves to be a singular achievement for a truly dedicated few individuals, including corporate leaders, professional athletes, entertainers, and one U.S. president—Gerald R. Ford.

**Helpers are needed at the Eagle Boards held the last Tuesday of each month. If you can assist or for more information – please contact Mack Tarwater.**

Guys join Scouting to experience the outdoors. It's that simple.

To recognize that passion for adventure, the BSA announces its new National Outdoor Awards. As we told you last year <http://blog.scoutingmagazine.org/2009/11/coming-in-2010-national-outdoor-award-badges.html> , the awards are available to Boy Scouts and Varsity Scouts who meet specific requirements in one of five subject areas: camping, hiking, aquatics, riding, and adventure.

There are two levels of the award. Boys can start with the National Outdoor Badges. These are earned by boys who demonstrate "that they are knowledgeable, safe, and comfortable in the outdoor activity covered by the badge."

Each segment is earned by completing the First Class rank, earning relevant merit badges, and accumulating experience-nights of camping, miles of hiking, hours of swimming, etc.

Once they earn a segment, boys can go the extra mile (in some cases literally) and shoot for gold or silver devices, available for spending extra time on a particular activity. Nationaloutdoormedal <http://scoutingmag.typepad.com/.a/6a011168d129d3970c0133f34402b0970b-pi>

The badges and devices are impressive, but the highest honor for outdoor lovers is the National Medal for Outdoor Achievement.

We originally reported that boys needed all five segments to earn the medal, but the National Camping Task Force has altered those requirements slightly.

The list of requirements is still daunting, though, meaning this medal isn't for everyone.

Boys must earn the Camping badge with a silver device and two other badges, each with gold devices. They must also earn four outdoor-specific merit badges, plan a unit outing, and take a Wilderness First Aid course and a Leave No Trace course, each 16 hours long.

Ready to introduce these new awards to your guys? You'll need the full requirements, listed after the jump, and the award applications (link opens PDF) <http://scoutingmag.typepad.com/files/nationaloutdoorawards.pdf> .

Requirements are here:

<http://scouting.org/sitecore/content/Home/BoyScouts/Youth/Awards/NOA.aspx>

## MERIT BADGE COUNSELORS

The district is getting requests for possible merit badge councilors to assist with troops who don't have adults in their units that can teach particular merit badges. So I thought I would update everyone on merit badge counselors:

- 1) The district list last reviewed has NO merit badge counselors listed who are willing to teach outside their units. People who are interested in helping out in this much needed area should register as a merit badge counselor and indicate a willingness to teach outside their unit.
- 2) We desperately need someone to coordinate a district wide merit badge counselor list. If you are willing to help out please send me an email. It probably won't take a lot of effort on your part. Mostly keeping an Excel spreadsheet up to date and giving out names and contact information when asked.

Dear Scouter,

The Grand Canyon Council will phase in mandatory training for all leaders starting in 2010. Mandatory training has already been enforced in a number of councils throughout the United States. Where it is implemented, the BSA has discovered that the retention of both Scouts and leaders is significantly improved. We will be phasing in mandatory training over the next few years.

### **How it will work?**

To recharter your unit at the end of 2010, it will be required that your top leader is trained. Top leaders are Cubmasters, Scoutmasters, Varsity Coaches, Venturing Advisors, and Skippers.

Plans are to require training of all direct-contact leaders for membership renewal by the end of 2011. Direct contact leaders are all assistant leaders and den leaders. The final phase of implementation will be to require training for all other registered adults by the end of 2012.

### **What we are doing to help you in this?**

The council and district trainers have begun to update training records. We are also conducting training inventories of all leaders and are preparing to make training more readily available. We are updating our district website with information and new classes all the time. Check the site frequently.

### **What can you do now?**

1. Appoint someone in your pack, troop, team or crew to act as unit trainer. That person should keep an inventory of which adults are trained and encourage those not trained to take training. Tools such as PackMaster and TroopMaster have modules that assist in keeping training inventories.
2. Encourage every adult in your unit to take the online training for their position now. Online training is available at <http://www.myscouting.org>
3. Make training a unit expectation and point of pride! Leader training is relevant for all aspects of your unit member's lives. The BSA has some of the finest leadership training available anywhere, it is very inexpensive, and it starts at age 13!
4. **More information can be found at the District Website:**

The District is in need of Volunteers to help keep it running smoothly, keeping units informed, trained, and ensuring more fun for all our scouts. We have some specific positions to be filled, but there are a lot of other places where we can use members at large. Come join us and share your heart and brain with the rest of us.

Trainers – All Levels, Commissioners – All Levels

**Many areas need committees or several scouters to make things work. We are always in need of Commissioners and Trainers. Individual events, like Camporee, Webelos Woods, Pinewood Derby, Fishing Derby, etc. need committees to run these events.**

***The Petroglyphs** is a publication of the Salt River District. All you see above comes from various sources in the District. News and items are encouraged from any Scouter. Please contact the Editor with your items at least 2 weeks in advance of the next Roundtable to ensure publication.*
